# your story

## seamlessly celebrated.

Your wedding day should feel like a celebration that is uniquely yours. A moment where you are surrounded by the people you love most, fully present and creating memories that will last a lifetime.

At LSC Event Planning, we do more than plan events. We create experiences that allow you to step into your role as the Guest of Honor, not the host, while we manage every detail behind the scenes.

Rooted in **LOVE, STEWARDSHIP**, and **CREATIVITY** (LSC). These values guide everything we do. Love for the moments that matter most, stewardship in how we care for your vision and investment, and creativity in how we bring it all together in a way that feels intentional and seamless.

From structured guidance to full-service planning, our approach is designed to meet you where you are while ensuring your celebration unfolds with clarity, care, and precision.

"The amount of hard work, time, thought, compassion, and energy LSC put into making our wedding day look and feel so spectacular is a true testament of their work ethic"

Amariah & Saul (2023)

# our promise

Every LSC experience is supported by a consistent standard of planning, coordination, and execution.

From the moment we begin working together, our focus is to create a seamless experience that allows you to be fully present throughout your wedding day while every detail is thoughtfully managed behind the scenes.

“If I could give more than 5 stars, I would. Planning an overseas wedding from Australia felt overwhelming, but LSC made everything seamless. They were always responsive, organized, and truly collaborative, guiding me through vendors, decisions, and a vision I didn't even know I had.

More than a planner, Eli felt like a friend. Our wedding was called ‘the best wedding I've ever attended,’ and that's all thanks to LSC. You won't find a team more passionate, knowledgeable, and caring.”

# eli bulay

Based in Morris County, New Jersey, I love hosting friends and family, discovering new places to eat, and spending time with our dog, Angus. It's truly an honor to be part of such meaningful milestones and to help bring each celebration to life in a way that feels effortless and true to you.

Planning events has always been my way of connecting with people and creating moments that feel **meaningful, intentional, and lasting**.

With over 12 years of experience in event planning and project management across both corporate and social settings, I bring a structured, detail-driven approach to every celebration. My background has shaped how I think, plan, and execute, allowing me to guide clients with clarity while ensuring every piece comes together seamlessly.

My journey into wedding planning was solidified after my husband, Dan and I got married three times within five months. That season not only deepened my love for the process, but also gave me the confidence to turn this passion into what is now LSC Event Planning.

“Eli thought of every little thing we could have needed the day of...She relieved so much stress by taking things off of our hands, and made the experience enjoyable! Not to mention, when all the dancing had done a number on my hair, she took the hair tie out of her own hair and gave it to me!”
